

Dear Fellow Cycling Enthusiast,

Thank you so much for your interest in Chico Velo's Wildflower Century and our Fleur Sauvage Route option! Chico Velo prides itself on offering our riders the best possible experience they can have on their bicycle. We ultimately try to make every ride we offer something that can be remembered and cherished for years to come and we love to have riders return because they had such an amazing experience. At this time, we believe we can not offer you the amazing experience you deserve riding the Fleur Sauvage in the Wildflower Century. Therefore, after much deliberation and heartache we are canceling the Fleur Sauvage route in the Wildflower.

If you were as excited by the idea of a gravel ride as we are, please stay tuned and sign up for our monthly newsletters as we are working on something that may be very appealing to you in the Fall. Thank you so much for all of your support and understanding. In the mean time, please join us by riding one of our other great routes in the Wildflower Century on Sunday, April 29, 2018! Sign up [here!](#) See you in April!

Ride Smart. Ride Safe. Most of All Have Fun!
